About This Content

NOTE: This DLC is included in the [RPG Maker MV - Add-on Pack](#).

Train Tiles (DLC 3) includes a large and versatile set of tiles for creating a train that's right at home in the standard MV resource environment.

- Autotiles (A2-A5) for creating floors and walls for both the outside and inside of the train
- Tile B including a large train, complete with the engine, passenger cars, freight cars, and caboose.
- The train faces east and west, and may be used with a scrolling parallax background to simulate movement.
- Tile C includes a full sheet of objects and details that can be used to create the inside of train cars.
- Animated tiles - such as opening doors, smoking chimney and railroad track switch
- **BONUS:** 8 Train-themed NPCs, including the Conductor, Ticketmaster and passengers - complete with walking character sprites and matching facesets with emotions.
